create.

For 35 years, P.S. ARTS has grown from serving 285 students in one school to more than

33,500 students across

17 school districts in

102 public schools,

including **67** Title 1 schools.

Designed by a team of psychologists, educators, and artists, P.S. ARTS programs prepare children to meet life's challenges by fostering **creativity, compassion, confidence, and belonging.**

P.S. ARTS' programs in public schools include arts instruction, arts-based educator training, and community arts events.

Last year, **EXPRESS YOURSELF** was cancelled due to the devastating wildfires that deeply impacted our community. Our hearts remain with all those who continue to recover and rebuild. We are grateful for the support of our sponsors, partners, and neighbors who stood with us during that difficult time. Their commitment makes it possible to once again gather, create, and celebrate the healing power of the arts.

This year, we are especially excited to welcome families back to reconnect through hands-on artmaking, music, and joy - all while supporting P.S. ARTS' award-winning programs.
